VALAR MORGHULIS

Graphic Designer & other things

Hello, I'm Mohammad Hosein Afshar
A 26 years old graphic designer with a potential attraction towards photography & a little bit to illustration too, born and living in Tehran with over 6 years of agency experience.
However, I've started the graphics journey much earlier at the age of 17 but took it as a professional career at the age of 22.
My skills include "but are not limited to" Branding, Typography, Photo Manipulation, Re-touching, Editorial Designs, Photography, Illustration & last but not least, Social Media Designs.

Achievements & Awards

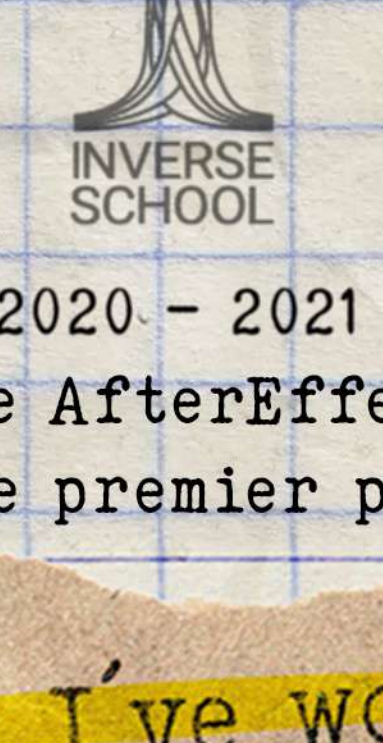

Courses

I'm a self-made graphic designer - which means that I didn't study art like real Artists did - But I can confirm that the best teacher a person can learn from is by trial and error and Youtube Actually. However -Beside my online studies- I took some offline courses which I found really helpful. Here are some that's worth mentioning:

2019

instagram marketing

2020 - 2021

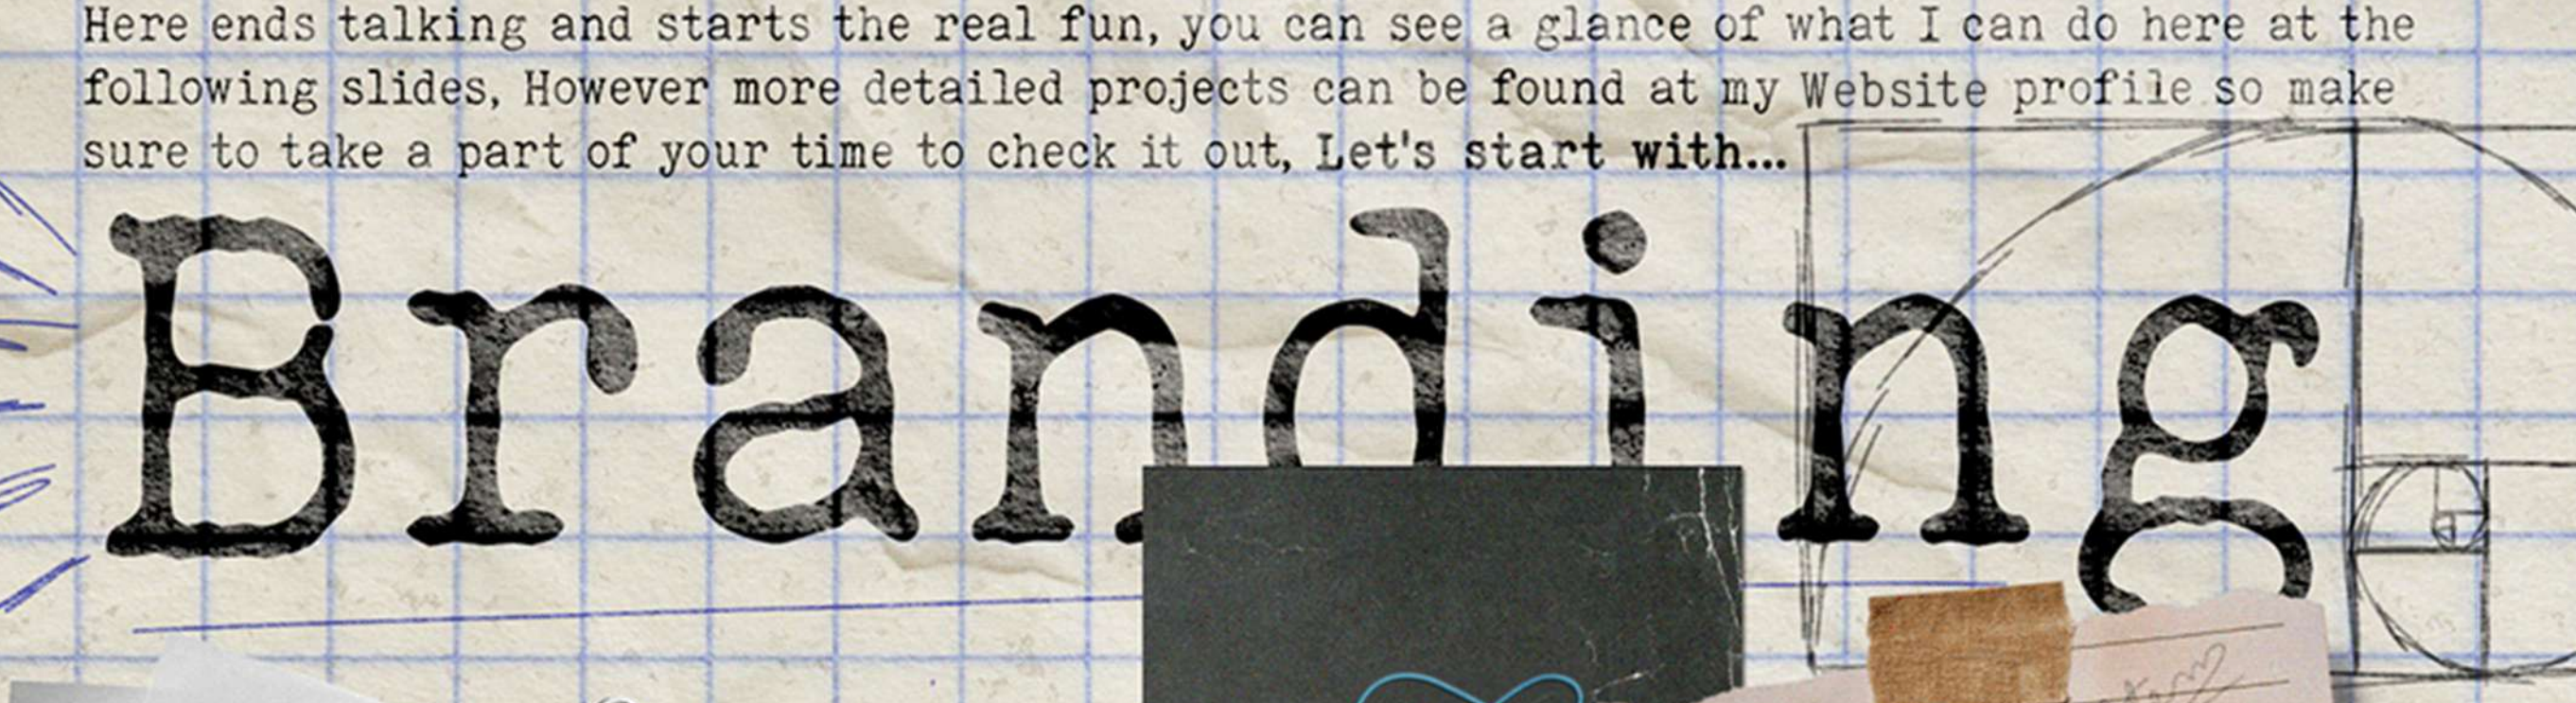

Adobe AfterEffect
Adobe premier pro

2020

Illustrator Specialist

Clients I've worked with/for

Here ends talking and starts the real fun, you can see a glance of what I can do here at the following slides. However more detailed projects can be found at my Website profile so make sure to take a part of your time to check it out, let's start with...
